

## SECTION R. RESIDENTIAL HISTORY

In this section of the interview, I have a few questions about all of the places you have lived for six months or longer. I am interested only in the city or town you lived in or near, not in the actual address of each place. Let's begin with the place where you first lived for six months or more.

(ASK R1-R3 FOR EACH PLACE LIVED IN FOR SIX MONTHS OR LONGER.)

	R1. In what city or town did you (first/next) live for six months or longer?	R2. In what year did you start living there?	R3. For how many months or years did you live there?
